

JnK DESIGN

Graphic Designers for all Your Needs

Announcements, cards, etc.

Catalogs, flyers, brochures, posters, etc.

With more than 30 years of combined experience in the graphic arts, we offer a unique and extensive variety of skills for your graphic design needs. With more than 17 years as a press operator, Jon has an eye for color, and a rare knowledge of the printing process that most designers lack. These attributes lead to a better color balance and a cleaner end product.

Most of our work at JnK Design is for print; typically brochures, catalogs, posters, flyers, invitations, and business cards. We also have great experience with web design.

Our design style is structured to the individual needs and requests of our clients.

We also offer a fabulous photo-restoration service.
